

## HOW TO DETERMINE IF A PARCEL IS SUBJECT TO SPEE DEE DELIVERY'S UNBOXED PARCEL FEE:

Is parcel **FULLY ENCASED** in a shipping container made of corrugated cardboard **OR** does at least one of the following apply:

- \* Parcel weighs between 1 to 5 lbs. (regardless of packaging)
- \* Stackable tote
- \* Cooler

If the answer to any of the above criteria is **YES** then the Unboxed Parcel Fee does **NOT** apply.

---

The Unboxed Parcel Fee (in addition to the base rate) applies to each parcel that fits the following criteria:

Includes (but not limited to) the following shipping containers or items:

- Pails
- Tires
- Cylindrical items (including but not limited to) pails, buckets, barrels, drums
- Trailer hitches
- Parcel is on wheels
- Poles and pipes
- Containers made of wood, steel, plastic, soft sided, sacks
- Objects protruding from a corrugated cardboard container (item is **NOT** fully encased)
- Tubes (\*Unboxed Parcel Fee applies to any tube over 5 lbs. – regardless of packaging\*)
